Local Reports:

A. Fire Department--Duane

- There was I first responder call for the month.
- Duane attended a Fire Chief meeting where it was discussed what company we use for reporting our runs. The Fire House that we used will be done and we will need a new place to report to. It was suggested that New World be used and the commissioners will pay 1st year and then we will pay ½ the cost after that.
- Red Cross has been helping people out in the county but there has been no need for Wellington or Rochester most of the need comes from Elyria or Lorain.
- Fire Class for kids about playing with fire is April 12 and 13.
- Red Cross is handing out smoke alarms for anyone in need.

B. Zoning – Ben reported

- Talked with the Zoning Board of Appeals and they are requesting to have a copy of the new books – the members copies are very old.
- The Zoning Appeals Board would also like to have the rules for conditional use permits reviewed and wants a few things changed in regards to getting the payments in on time. If the payment is not in on time they would like to have that conditional use permit charged \$125.00 more (that is what it cost to call a appeals board meeting).
- This will be mentioned to the Zoning Board and see what can be done with these requests.
- See attached letter from BZA
