There was a message from a resident that would like to have Township and Village Garage Sale July 16-17.

The Pavilion will be used August 14.

Laura did discuss the issue with the General Fund and that she did speak with Local Government Services and she is working with them on trying to find some ways to help with the General Fund.

She did discuss with the Trustees that we can pay a portion of the salaries from different funds but we will have to have documentation and a form filled out to do so – She is still not very comfortable doing this but will be looking into this again.

Adam also stated that there was another township who has their trustee as a cemetery sexton and the fiscal officer pays the “salary” that would be paid for by the sexton out of the cemetery fund - This is not a extra compensation- just is taken out of cemetery. We will look more into this.

No further business and meeting adjourned at 8:30 p.m.
